Re: BQ Calendar of Events

Ref: 17/006

For your information please find attached the updated Bowls Queensland 2017 major calendar of events and the proposed 2018 major calendar of events.

At this point there are some events for which the date and venue is yet to be finalised. These will be distributed once they are confirmed.

All districts please note the group winners due by dates for the state finals. It is imperative that all group winners are forwarded to Bowls Queensland by the due date so that administration arrangements can be finalised and relative information can be forwarded to the winners.

Failure to comply with the specified competition dates may result in non-representation for your district / group winners. Requests for extensions for playoffs will not be considered due to the restrictions of the calendar.

Please be advised that all Districts and Clubs can have their major tournaments placed on the Bowls Queensland website, Facebook and Twitter (at no cost). If you would like to take advantage of this offer, please forward your tournament details along with any flyer or nomination form to roxanne@bowlsqld.org

The BQ Calendar of Events are subject to change where necessary and all amendments are updated on the Bowls Queensland website.
