Discussions related to the change from 7 teams to 6 teams for 2016 which seemed to get lost in cyberspace.

Six teams were agreed on for the 2017 CHALLENGE.

The following was confirmed for 2017:

Conditions of Play 2017

The Challenge will consist of 6 teams of 4 players and two (2) games of 18 ends or the bell after two and a quarter hours.

The trophy will be awarded on an aggregate of both games.

If scores are equal then most rinks won will be used to determine the winner. If still equal then the total number of ends won will be used.

Inclement Weather

In the event of inclement weather, the following will apply: if fewer than 72 ends is completed the trophy not be awarded and will be retained by the previous winner.

In game 1, if 72 ends are completed and game 2 is unable to be played, this will constitute a game and the trophy awarded to the side with the highest in the ends completed.

If game 1 is completed and game 2 is not, then the trophy will be awarded on the basis of the aggregate of scores from game 1 and the ends completed in game 2.
