Step 1: Open the Cunningham Competition Page and find the particular Division you wish to see, then either:

- Double click on the topic (Fixtures; Results; Ladder) you wish to expand in the list to the side
- OR Double click on the event name (e.g. 2018 Ladies Div 3 Pennants)

If you click Results, the following screen will then appear:

The Tabs show different screens that will appear if you click them. Fixtures shows the draw for the current week; Results shows the scores for the matches; Ladder shows the current position of the teams for that Round. There is no information in Skip Ladder. Again, to see a different Round, click the drop down arrow and choose the number of the Round you wish to see.

Step 2: To look at the Ladder, click the Ladder tab from either the list on the Competition Page, or from the tab as above. The following screen will then appear:
