

## **Interclub Clearances**

A member may seek an Interclub Clearance:

- (a) If he/she resigns from his/her Club and seeks membership at another Club; or
- (b) If he/she resigns from his/her Club and is unsure which Club he/she will join; or
- (c) If he/she remains a member of his/her current Club and seeks membership of another Club.

In cases (a) and (c) the name of the new Club will be indicated. In case (b) an "Open Clearance" would be issued.

A member's resignation must be in writing. An Interclub Clearance is not a resignation.

A nomination form from an intending member of a Club must be supported with the Interclub Clearance issued by his/her former Clubs within the past three months.

**An interclub clearance is only valid for three months.**

***A member transferring to a club must produce a clearance from every club he/she is a member. A club must not accept a member "subject to receipt of his/her interclub clearance". The blue copy of the clearance should be handed to the Secretary who then sends a photocopy of the clearance with the Form 2 for that month.***

## **Interstate Clearances**

If a member of a Club wishes to transfer to another State, and an interstate clearance is required, Club Secretaries will forward an application for Interstate Clearance to Bowls Queensland. Bowls Queensland will advise the appropriate State Association accordingly.

If a member makes an application to join a Club in Queensland and indicates that he/she is from another State the following applies:

- an Interstate Clearance is not required if the member wishes only to play pennant but a pennant declaration is required, however
- if a clearance is not provided the member would not be eligible to play club, district or state championships in Queensland.

Secretaries must make this clear to interstate applicants.

If a clearance is not provided, and is required, the Club Secretary will request the player to complete an interstate clearance application and get it signed by the interstate club secretary. The member must arrange for the application to be sent to his/her State Association for processing.

On receipt of the Interstate Clearance notification will be forwarded to the Club through the District Association.

***Member transferring from another state cannot be accepted as a member until the interstate clearance is received.***
