

## **CUNNINGHAM DISTRICT BOWLS ASSOCIATION Inc.**

### **NOTICE TO ALL CLUB AND MEN'S SECTION SECRETARIES AND 2017 TEAM MANAGERS**

# **MEN'S PENNANTS 2017**

The on line results and ladder system has been very successful. The Match Committee would like to thank all Clubs and Team Managers for their assistance and cooperation in its implementation.

We are now at the business end of the season and it is our aim to have all remaining results and ladders completed and confirmed by Sunday evening of each weekend.

To achieve this we request -

- 1- Home teams to record results no later than midday of the day after the Game
- 2- Home teams to email Team Cards no later than midday of the day after the game
- 3- Away teams to confirm results no later than 5pm of the day after the game.

Thanks to those who are submitting results and emailing team cards on Saturday evening – it is greatly appreciated.

Results of final round games will most likely have a bearing on finals qualification. We would like to be able to advise Teams as soon as possible as to their standing on the ladder.

The ideal scenario would be for both results and confirmations to be done immediately the game is completed.

Regards  
CDBA Match Committee.
