## MEN'S PENNANT COMPETITION 2020

The following clubs are invited to compete in the 2020 Men's Pennant Competition – Division One :

Swifts	Salisbury	Algester
Jindalee	Darra	United

Covid-19 conditions have impacted on the likely availability of rinks due to contact limitations during the early stages of the competition. Accordingly it is anticipated that the district pennant competition will be restricted to two first division competitions (ie. one ladies & one men's competition) only.

Side structures will be based around 3 teams of 4 players per team as is usually the case for CDBA first division competitions.

Start dates are fluid at this point but current indicators point to a July commencement. Play days & times will be restricted to Saturday mornings to lessen the impact on host clubs who will likely be limited in the number of persons they may have present at a club at any one time.

The Zone Pennant final has been scheduled for October and we currently await confirmation from Downs District as to the play date. The winning side will progress to the state pennant final scheduled to be held 7 & 8 November.

Two other open gender competitions comprising 3 teams of pairs per side are being currently reviewed by the Match Committee. It is envisaged that these events will be separate mid week and weekend competitions. Clubs will be advised of the structure and detail of the competitions shortly. It should however be noted that it is likely that Division One players will be unable to compete in these competitions once they have played two or more games in a division one pennant side.

A draw will be released as soon as it becomes apparent what arrangements can be put into place for personnel present at venues and on greens.
